FITTING INSTRUCTIONS

- Firstly, remove the 4x OE bolts from the footboards (**Image 1**) and place the 4x spacers (**Item 4**) the position shown in **Image 2**.
- Assemble the R&G foot-board sliders as shown in **Image 3** by holding the sliders in position on the mounting plate and inserting the smaller M5 bolts (**Item 3**) through the slider and thread into the mounting plate. Then place the rubber insert into position on the mounting plate.
- Place the assembly onto the foot-board and align the countersunk holes of the mounting plate with the spacers on the foot-board and carefully thread in the supplied 2x M6 bolts (**Item 2**) and tighten down to their required torque setting.
- Repeat this process for the other side of the foot-board.

Please Note:

Thread lock is recommended on all bolts to prevent them from loosening due to vibrations or being worked loose from repetitive use.

CONSUMER NOTICE

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products. On return of any defective Products R&G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R&G's or manufacturer's instructions and good engineering practice or if the defect arises from accident or neglect. Other than identified above and subject to R&G not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products or the fitting or service concerned. These terms do not affect the Buyer's statutory rights.

R&G RETURNS POLICY (NON-FAULTY GOODS)

Returns must be pre-authorized (if not pre-authorized the return will be rejected). Goods may only be returned direct to us if they were purchased direct from us (customer must prove if necessary). Otherwise to be returned to original vendor. Goods must be in re-sellable condition, in the opinion of R&G. All returns are subject to a 25% restocking and handling fee (25% of the gross value exc. P&P – at the prevailing price at time of purchase). The customer must pay any and all carriage charges. No returns of discontinued products, unless within 14 days of purchase. This policy does not affect your statutory rights and does not refer to faulty goods.

NOTICE DE MONTAGE :

- Tout d'abord, retirez les 4x boulons d'origine des marchepieds (Image 1) et placez les 4x entretoises (Article 4) à la position indiquée sur l'image 2.
 - Assemblez les sliders R&G de marchepied, comme indiqué sur l'image 3 en maintenant les sliders en position sur la plaque de montage et en insérant les plus petits boulons M5 (article 3) à travers le slider et en les vissant dans la plaque de montage. Placez ensuite l'insert en caoutchouc en place sur la plaque de montage.
 - Placez l'ensemble sur le marchepied et alignez les trous fraisés de la plaque de montage avec les entretoises du marchepied et vissez soigneusement les 2x boulons M6 fournis (article 2) et serrez au couple de serrage requis.
 - Répétez ce processus pour l'autre côté du marchepied.
- Veuillez noter :
